INTEGRAL
STRATEGIC SOLUTIONS

KUECKER | INTEGRAL STRATEGIC SOLUTIONS PARTNER

Kuecker Logistics Group is a Systems Integrator that implements “Best of Breed” Integrated Material Handling Systems. Through our experience, fact-based and common sense approach - “360 View” - KLG is the Integrator of choice for:

- Automated Storage & Retrieval Systems (AS/RS)
- Automated Buffering & Sequencing Systems
- Automated Picking Systems
- Conveyor & Sortation Systems
- Automated Palletizing Systems
- Storage Systems
- Software Control Systems

We provide our customers with a value proposition for enhancements to their existing or new processes and technologies, by helping identify gaps and opportunities to meet their long-term objectives. The results of our “360 View” provide our customers with an objective based, creative and complete solution for their supply chain. KLG delivers cost effective, scalable, flexible integrated solutions that increase the performance and profitability for our clients.
